SKILLS

Languages & Libraries: HTML, CSS, JavaScript, TypeScript, Tailwind CSS, Python
Frameworks: React.js, Next.js, Node.js, Bootstrap, jQuery
Developer Tools: GitHub, VS Code, MongoDB, NeonDB
Soft Skills: Creative Thinking, Decision Making, Management

EDUCATION

Barkatullah University (Narmadapuram, India)   8.45 SGPA
Bachelor Science, Major in Chemistry   *Aug. 2021 – June 2024*

EXPERIENCE

Frontend Developer Intern   June 2024 – Present
Frontend50   *Remote*

- Developed reusable React components, reducing development time for new features by 40%.
- Integrated APIs for real-time data updates, increasing user session duration by 30%.
- Optimized UI responsiveness, enhancing mobile accessibility and boosting mobile user retention by 25%.
- Contributed to sprint meetings, improving feature prioritization and development efficiency by 38%.

Software Developer Intern   February 2024 – April 2024
LeopardRuns Innovation and Technology   *Remote*

- Led frontend development for an e-commerce website with **20+ users**, ensuring responsiveness across all devices.
- Integrated **5+ backend APIs**, improving data flow efficiency and reducing page load time by **20%**.
- Executed full-stack development tasks, designing, coding, and debugging **5+ key features** for an e-commerce platform.
- Selected among the top 5% of interns for a paid role after passing a **2-stage** technical evaluation.

PROJECTS

Windows-Inspired Portfolio | *Next.js, TypeScript, Tailwind CSS, Framer Motion*   October 2024

- Built a multi-window desktop interface with **10+ interactive windows**, enhancing user engagement.
- Developed a file explorer with back/forward navigation, supporting **3+ file types** (text, images, PDFs).
- Integrated PDF.js for in-app resume viewing, reducing external load times by **40%**.

Zappify – Zaap.ai Clone | *JavaScript, CSS, React.js*   June 2024

- Replicated Zaap.ai's UI with **95%+ accuracy**, ensuring pixel-perfect design.
- Implemented Framer Motion effects, achieving **60 FPS animations** across all devices.
- Redesigned animations, reducing render lag by 50% on lower-end devices.

Shopper | *React.js, CSS, JavaScript, Postman, Netlify*   April 2024

- Designed a responsive e-commerce frontend, handling **500+ products** efficiently.
- Integrated APIs, improving checkout speed by 30% and reducing response time to **under 200ms**.
- Deployed on Netlify, achieving 99.9% uptime and improving performance scores by **25%**.

ACHIEVEMENTS & LEADERSHIP

Lance Corporal, NCC: Earned A Certificate by demonstrating leadership, discipline, and teamwork in national-level training.
School Debate Champion: Won 3+ inter-school debate competitions through the strategic development of compelling arguments and effective communication techniques.
Energy Conservation Speaker: Delivered technical presentations on solar energy, explaining wiring and conservation methods, earning multiple certificates.
